ClassDojo

3 steps to set up student accounts

1. Print it

Print individual student code sheets.

2. Share it

Send individual code sheets home with students. Want
students to log in during class? Tape their code to their desk
or use a class code (attached).

3. Scan it

Students will log in by scanning their individual code in the
ClassDojo app or on the ClassDojo website.

Students can view their feedback, see photos from class, and add to
their portfolio. It's a great way to boost student ownership!
